

Abdullah Gül University Library organizes various workshops and activities for primary, secondary and high school students who want to visit the library. Primary school students who visited the library with their teachers learned the library rules and participated in creative drama and story workshops organized for them in seminar halls. Secondary and high school students were informed about the books and library classification system in the library. The students were also given information about how to access the resources they need when they go to a library as a researcher.
